Introduction to BPNA Mobile App and Web App

Downloading the mobile app and accessing the web app

Search for **BPNA** in the App Store (iPhone, iPad) or Play Store (Android) and install the app. Not available for Blackberry or Windows Phones.

The App is also available on a desktop version. Visit <https://bpna2021-bpna.web.indrina.com/> to access the Web App on your Chrome browser.

Signing in

To **install the event on the mobile app** and **to access the webapp**, **sign in** with your BPNA Login credentials.

By signing in, you will have a personal profile, allowing you to **access the virtual sessions**, **interact with other attendees** and **schedule one-to-one appointments**.

Once signed in, your favourites, notes and other personal content **will be synced between your mobile devices and webapp**.

Login

Login

If you are having any issues signing in, please email conference@bpna.org.uk

Mobile app home page

1- Home

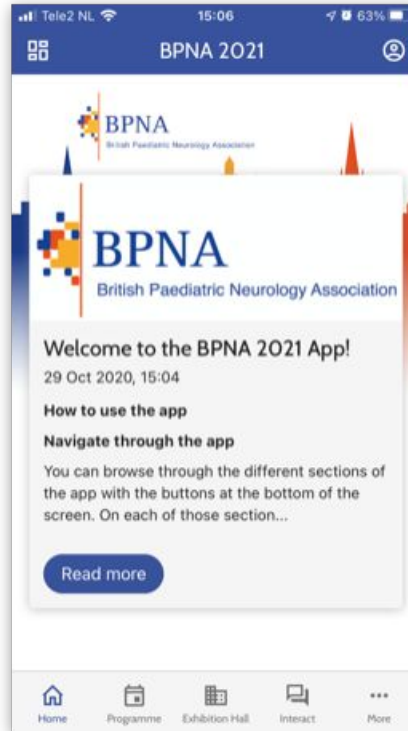

Read all the latest news about the event

2- Programme

View the full event programme, sponsored symposia and posters

3- Exhibition Hall

Browse all sponsors, charities and publishers

4- Interact

Connect with other attendees through Chat or the Event Feed

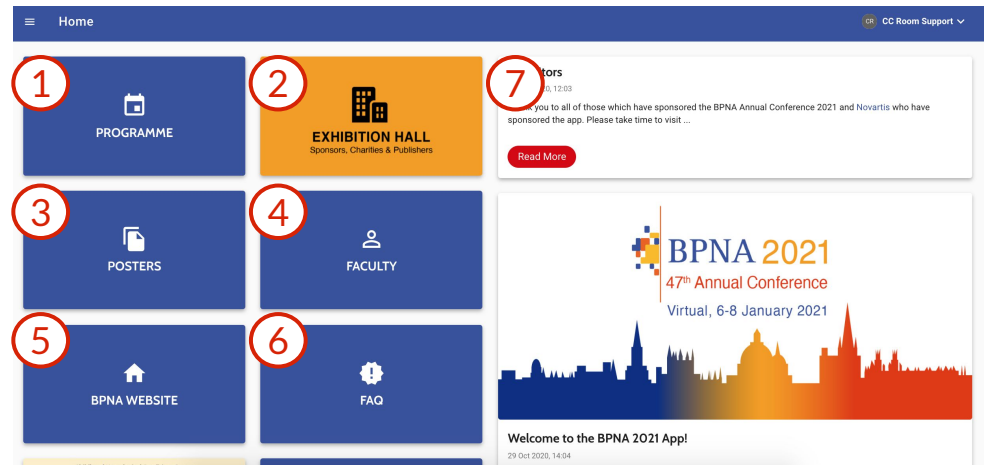

5- More

Find more information about the conference, evaluation form, as well as detailed instructions on how to use the app

Web app home page

- 1- Programme:** View the full event programme
- 2- Exhibition Hall:** Browse all sponsors, charities and publishers
- 3- Posters:** Browse all posters incl. pdfs and audio
- 4- Faculty:** Browse all speakers and chairs or search for one
- 5- BPNA:** Access the BPNA website
- 6- FAQ:** Browse all frequently asked questions
- 7- News messages:** Stay up to date with the latest news messages

Web app home page

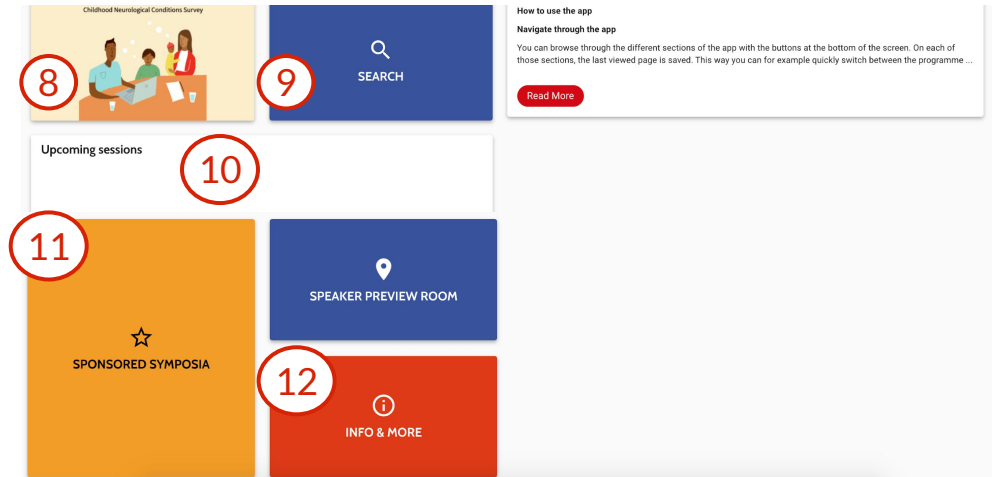

8- Research: Complete the Childhood Neurological Conditions Survey

9- Search: Know (part of) the title of a session, poster, exhibitor or the name of a person? Search here to find its details

10- Upcoming Sessions: Click directly on the sessions happening now

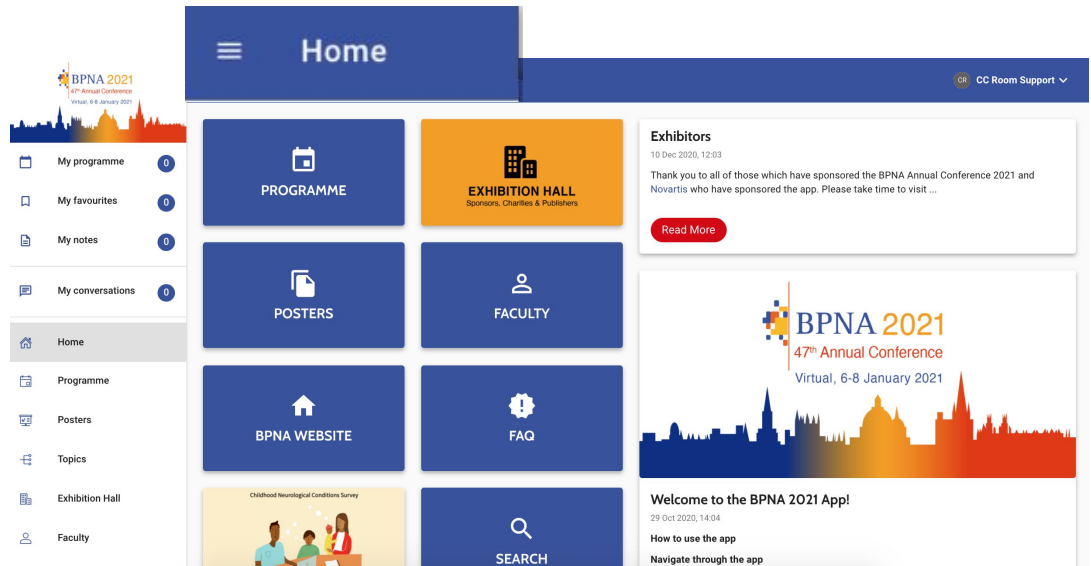

11- Sponsored Symposia: View details of the sponsored symposia

12- Info & More: Find information about the conference, evaluation form and more

Web app side menu

Access the information displayed on the home page also through the **Side Menu**. You may also start a chat or schedule an appointment through this menu, search through persons, presentations, companies, etc. and browse through the frequently asked questions.

View Live Sessions

To view sessions live, go to **Programme** and click on the session you would like to view.

Access the session by clicking **Enter Virtual Room** button. This will take you through a Zoom webinar waiting room.

The screenshot displays the BPNA 2021 Programme interface. On the left is a navigation menu with options: My programme (0), My favourites (0), My notes (0), My conversations (0), Home, Programme (selected), Posters, Topics, Exhibition Hall, and Faculty. The main area shows a calendar view for Wednesday Jan 6, Thursday Jan 7, and Friday Jan 8. A session titled 'Becoming a Paediatric Neurologist' is highlighted on Thursday, Jan 7, from 12:00 to 13:00. A red circle highlights the 'Enter virtual room' button on this session. The right-hand panel shows the session details for 'Thursday 07 January 2021, 12:00 - 13:00'. The session title is 'Becoming a Paediatric Neurologist'. Below the title is a description: 'A session aimed at those interested in a career in paediatric neurology, including an introduction to paediatric neurology training from a current trainee and advice for those wishing to apply'. There is a 'Save' button, a 'Create note' button, and a list of chairs: Dr Eusra Hassan and Dr Mark Atherton. A 'SPEAKERS' section is also visible at the bottom.

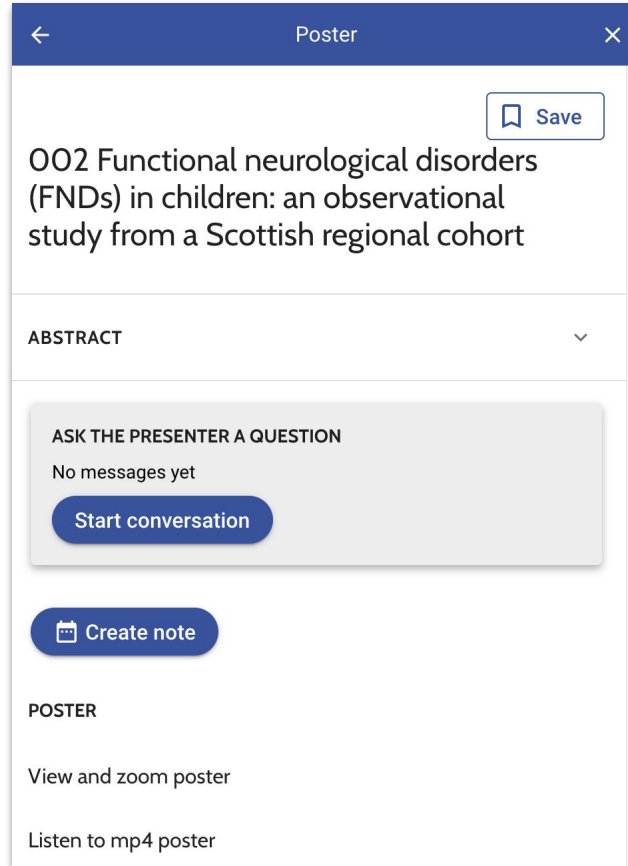

Abstracts and Posters

Click the poster you are interested in to find out more about it, such as who the presenters are or to view the poster.

Click on **Start a conversation** to ask the presenter a question.

Tap on **Abstract** to view the full abstract.

Tap the **View and Zoom Poster** and **Listen to mp4 poster** (when available) to see the Poster in PDF and listen to the poster presentation.

Create your personal programme & take notes

Tap the **bookmark icon** to save items for later reference.

Click the **Create Note** icon to add a note for an item.

The screenshot displays a mobile application interface for a session titled "Acute and autoimmune neurology" on Wednesday 06 January 2021, 10:00 - 12:00. The interface includes a blue header bar with the text "Session" and a close icon. Below the header, the session title and date are displayed. A "Save" button with a bookmark icon is visible. A white arrow points from this "Save" button to a "Saved" button in a second, partially overlapping screenshot of the same session, which also shows a checkmark next to the "Saved" text. Below the session title, there is a blue button labeled "Enter virtual room". A red box highlights a "Create note" button with a calendar icon. Below this, there is a section titled "EVALUATE THIS SESSION" with a link to complete the evaluation form. Underneath, the "CHAIRS" section lists two speakers: Dr Jon Gadian and Dr Michael Eyre, each with a profile picture and a bookmark icon to their right.

Session

Wednesday 06 January 2021, 10:00 - 12:00

Acute and autoimmune neurology

Saved

Create your personal programme & take notes

Sessions and presentations are added to **My Programme**. Faculty, posters, and exhibitors are added to **My Favourites**.

Access your saved items through **My Profile**, accessible on the top right corner of the mobile app or on the **side menu of the webapp**.

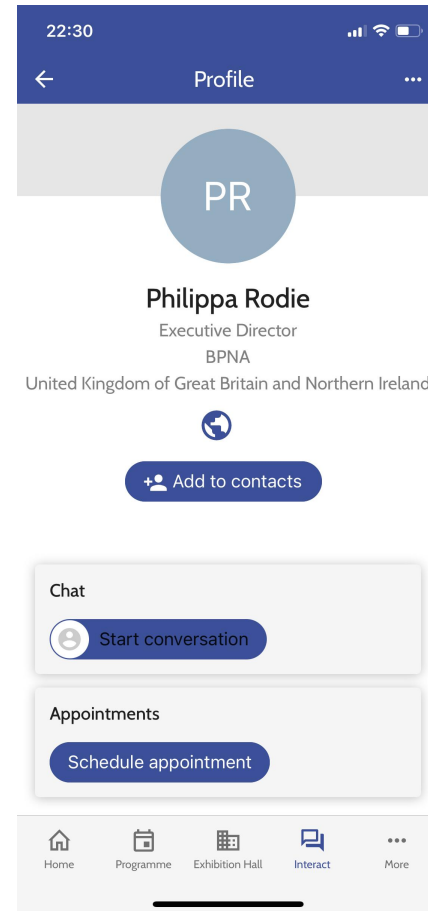

Interact with other attendees

In the **profile** of another attendee, you can:

- Start a conversation
- Schedule an appointment
- Add them as a Contact

Find other attendees and an overview of all your conversations in the **Interact** button of the mobile app or the **Chat** tab on the side menu of the web app

Interact with exhibitors and schedule one-to-one meetings

On the page of each exhibitor you will find **representatives**. When clicking on a representative, you can **start a conversation** or **schedule an appointment** with the option to **add a virtual room** for a **one-to-one meeting**.

Evaluate each session and the BPNA conference

To evaluate each session click on **Evaluate this Session**.

Got feedback or tips for the event? Click the **More** button on the mobile app or **Info & More** on the web app. Then select **BPNA Evaluation form**.

The screenshot shows a mobile app interface for a session. At the top, there is a blue header with the word "Session" and a close button. Below the header, the date and time "Wednesday 06 January 2021, 10:00 - 12:00" are displayed, along with a "Save" button. The session title "Acute and autoimmune neurology" is shown, followed by a blue button labeled "Enter virtual room". A "Create note" button is also visible. A red box highlights a section titled "EVALUATE THIS SESSION" which contains the text "Click here to complete the evaluation form for this session". Below this, under the heading "CHAIRS", two speakers are listed: "Dr Jon Gadian" and "Dr Michael Eyre", each with a profile picture and a bookmark icon.

The screenshot shows a mobile app interface for a "More" menu. At the top, there is a blue header with the word "More" and a user profile icon. Below the header, there is a search bar and a list of menu items: "Downloadable PDF Programme", "Prizes", "Social Events", "DMCN Conference Supplement", "BPNA Evaluation Form" (highlighted with a red box), "Search", and "Help". At the bottom, there is a navigation bar with icons for "Home", "Programme", "Exhibition Hall", "Interact", and "More".
