Travel
The Royal Berkshire NHS Foundation Trust’s main site is based about 15 minutes’ walk from the centre of Reading. The hospital is on a regular route for local buses. Reading Buses provide services with a seven to 10 minute frequency from Reading Station. Their buses are easy to identify with colour coded routes. Premier Routes 9 (red buses), routes 19 and 19a operated by midi buses and Thames Travel route 144 serve the hospital. The fare is just £1 to the hospital from the train station and just £1 back again (but this may change).

Reading train station is a 20 minute walk from the hospital (for a fit person), and offers high-speed rail links from London and Southampton. There is also easy access from the M4 motorway.

Bicycle racks are available near Maternity, Endoscopy, Battle Block, North Block, South Block and near the road entrance of the multi storey car park.

PARKING
During peak periods, there is often difficulty finding a parking space. Please take this into consideration when deciding how and when to travel to the hospital.

Public parking is Pay & Display. Parking for disabled badge holders is free of charge.

Parking concessions are available for the parents of children in paediatric wards, to the partners of women in labour and to the immediate relatives of long term patients. Speak to a nurse on the ward for more information on concessions.

There is a change machine near reception on Level 2 in the Main Entrance.

MULTI STOREY CAR PARK
Levels 0, 1, 2 and 3 are public. Most wards and departments are accessed from Level 2.

There is no public access to A&E or Endoscopy from inside the main hospital.

DISABLED PARKING
Level 2 has 26 disabled-only spaces and leads straight to the reception and to most wards and departments in the hospital. There are also seven disabled spaces on Level 0.

A limited number of disabled spaces are also available near West Drive buildings, South Block, North Block, Endoscopy and Battle Block.

YOUR APPOINTMENT
Your appointment letter will tell you the date and time of your appointment and which block or building you need to go to. Please check your letter carefully before you set off for your appointment and please let us know if you are unable to attend.

The hospital is spread out over a large area and the wards and departments are located over several levels.

Please follow any instructions given in your appointment letter or card and follow the signs for the BLOCK and not the level. Wards, departments and clinics are signposted within each block.

The main reception desk is located on Level 2 and there is a Welcome Desk at the junction of Centre Block, Main Entrance and Eye Block – please ask the receptionists, welcome's or any members of staff if you need help in finding your way to your appointment.

GETTING AROUND
Please be aware that it may take up to 15 minutes to walk to some wards and departments. Please take this into consideration when allowing time to get to your appointment.

An electric buggy driven by volunteers is also available Mon-Fri 9am-4pm to transport patients.

If your passenger is disabled and you require assistance between the multi storey car park and the hospital, speak to a receptionist. If you are parked in other areas around the hospital site, please be aware there may be no one to assist you in these areas.

FACILITIES
There are public toilets (including changing facilities) and telephones in every block.

Wheelchairs may be found on Level 2 in the multi storey car park.

SPECIAL REQUIREMENTS
If you have any special needs relating to a disability, or you require language or communication support, please ring the telephone number given in your appointment letter so that appropriate arrangements can be made.

REFRESHMENT AND RETAIL FACILITIES
The site has a number of cafés and shops, vending machines and a restaurant available to visitors and members of the public. Please ask a member of staff or one of the welcome's for directions to these.

INFECTION CONTROL: WHAT YOU CAN DO
We take infection prevention and control very seriously.

Whether you are an outpatient, inpatient or a visitor, the best way you can help contribute to preventing germs passing from one patient to another is by washing your hands or using the hand gel which you will find outside the entrance to all clinical areas.

If you have recently had diarrhoea and/or vomiting, please wait until 48 hours has elapsed from your last symptom before visiting the hospital. Patients/visitors who suspect that they may have an infection should telephone the ward or department and ask for advice before coming in.

Please help us keep our hospitals clean and tidy. By disposing of waste (for example used tissues or sweet wrappers) in the household waste bins provided.

TELL US YOUR VIEWS
If you have any suggestions on how we can improve our service or if you have any concerns you would like addressed, please contact the Patient Relations Team on 0118 322 8338 or email talktous@royalberkshire.nhs.uk. If you would like to give feedback – positive or negative, please complete a survey on the ward or department you visited by visiting www.royalberkshire.nhs.uk/surveys or telephone the Patient Relations Team to get a paper copy of the questionnaire sent to you. You can also post feedback into any of the suggestion boxes around the hospital.

You can also give feedback on the Trust by visiting NHS Choices website www.nhs.uk under ‘Find and choose services’.
